- Once you have selected for each day click add to basket this will save the meals/packed lunches booked to your basket and if required prompts for payment.
- If you are entitled to FSM as long as you have clicked add to basket your meals order will have been saved. This is the same for packed lunches.
- Once in your basket meals can be paid for. The system will prompt for payment after 10 meals are booked no additional meals can be booked if there is a balance of £25 outstanding. If you have a balance sitting in your account, any money paid will be cleared from this balance first.
