We collect some personal information about our pupils and their families/carers/legal guardians during a pupil's application process to the school.

We mainly collect personal information about our pupils and their families/carers/legal guardians throughout the course of the pupil's time at the school, for instance when completing educational visit consent forms, from statutory curriculum assessments and throughout our relationship with a pupil when we are exercising our legal obligations as a public educational body and during our pastoral care.

In some cases we may use personal information where it is necessary for our legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests. For example, the school has a legitimate interest in providing pupils with an education, safeguarding and promoting pupil welfare, facilitating the efficient operation of the school.

We may also use your personal information, less frequently to protect a pupil's or their family's interests (or someone else's interests). For example, when investigating a complaint made by another pupil.

CONSENT

Whilst the majority of the personal data provided to the school is required for us to comply with our legal obligations, some of that information is provided on a voluntary basis through parental consent (namely, a parent's/carer's/legal guardian's express agreement). A pupil aged 13 or over is considered capable of giving consent themselves and will not require express agreement from a parent/carer/legal guardian. However, if a child is not considered capable of giving consent themselves for example, due to an identified special educational need, an adult with parental responsibility may exercise the child's data protection rights on their behalf.

Where we need consent, the school will provide the person with parental responsibility for a pupil or, if aged 13 or over, the pupil themselves, with a specific and clear notice which explains the reasons why the data is being collected and how the data will be used. You should be aware if you do not consent to our collection of this type of data, this will not affect the standard of education we deliver to the pupil.

If we ask for your consent to use personal information, you can take back this consent at any time. Please contact the principal if you would like to withdraw any consent you have given.

Please be aware that we do not need to obtain parental consent if personal data is to be processed for the purposes of obtaining counselling services for the child.

HOW LONG IS THE INFORMATION STORED FOR?

We will only keep personal information for as long as necessary to fulfil the purposes we collected it (for example, to educate and look after pupils) and including for the purposes of satisfying any legal, accounting, or reporting requirements.

We do not store personal data forever; we only hold pupil and family data for as long as we are legally able to do so. However, sometimes we will keep personal information for historical reasons (e.g. year group or sports team photographs) but you will always have a right to ask for it to be destroyed.

This is a link to the Department of Education Document Retention and Disposal Policy which can be found at https://www.education-ni.gov.uk/publications/disposal-records-schedule.This will give you more information about how long we keep personal information.

In determining the appropriate retention period for personal information, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you.

DATA SECURITY

We have put in place appropriate security measures to prevent personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees, agents, contractors and other third parties who have a need to know. They will only process personal information on our instructions and they are subject to a duty of confidentiality.

YOUR RIGHTS OF ACCESS, CORRECTION, ERASURE AND RESTRICTION

Under GDPR, pupils/parents/families and carers have the right to request access to information about them that we hold. To make a request for your personal information, or be given access to your child's educational record, contact the Principal IN WRITING at channigan010@c2kni.net, 35 Ballywillan Road, Portrush, Co. Antrim BT56 8JL or by phone on 028 7082 3090. This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

Under certain circumstances, by law a parent/carer/legal guardian or a child over the age of 13 (who is considered competent to do so) has the right to:

- **Request access** to personal information (commonly known as a "data subject access request"). This enables you to receive a copy of the personal information we hold about you and your child and to check that we are lawfully processing it. You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is clearly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.
- **Request correction** of the personal information that we hold about you and your child. This enables you to have any incomplete or inaccurate information we hold corrected.
- **Request erasure** of personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of personal information where we are relying on a legitimate interest (or that of a third party) and there is something about your particular situation

which makes you want to object to processing on this ground. You also have the right to object where we are processing you and your child's personal information for direct marketing purposes.

- **Request the transfer** of your personal information to another party, for instance a new school.
