Respective Functions of the Board of Governors and the Principal in relation to admissions.

The Board of Governors will determine the Admissions Criteria. The criteria will be applied by a sub-committee of the Board of Governors.

As an integrated nursery unit, a key purpose of the school is to educate together children of different traditions.

In applying the admissions criteria, the Board of Governors will strive to ensure a balance of Roman Catholic, Protestant and other religions and children of no religion.

The religious affiliation/community background (Protestant, Catholic or Other/None) of a pupil will be determined by one of the following methods:

- a) For parents/guardians applying for a place via the Education Authority's online application you will be prompted to and must select your child's religious affiliation when completing the form, OR
- b) For parents/guardians applying using a paper application you must also complete our school Religious Affiliation Form which can be obtained from our school website or school office, or you can provide alternative written confirmation to our school. Your Religious Affiliation Form/written confirmation of religion must be sent directly to our school by email or by post to the above address.
- c) If the parents/guardians do not supply this required information, then the Board of Governors will treat the application as being from those in the community who describe themselves as being from the Other/None category.

Admissions Criteria

A timetable of pre-school admissions procedures setting out the dates by which an application is to be submitted is available at www.eani.org.uk/admissions under 'Pre-School Admissions'. During the admissions procedure when applying the criteria punctual applications will be considered before late applications are considered.

The application procedure opens on 9 January 2024 at 12noon (GMT) and an application submitted by the closing date of 26 January 2024 at 12noon (GMT) will be treated as a punctual application. An application received after 12noon (GMT) on 26 January 2024 will be treated as a late application.

As the pre-school admissions procedure is in two stages the timetable also specifies the relevant dates at Stage 2 which will determine if an application is to be considered as punctual or late.

Admissions criteria to be used in the event of the school being oversubscribed. The criteria are listed in order of priority.

Statutory Criteria

1. Children from socially disadvantaged circumstances in their final pre-school year who were born:
